Bob Campbell MW, May 2011

91 points. 4 stars.

More intense fruit than the regular label but still with good yeast lees character. Broad, rich and complex wine - terrific with food. Layers of flavour. Very impressive.

Put simply, this is a great wine. From the oldest vines in the Home Vineyard - low-cropped to produce the ripest fruit - and partly barrel-fermented, it is authoritative, mouthfilling, concentrated and dry, with fresh, deep melon/lime flavours, a hint of nuts, and lovely vibrancy, complexity and length.
