## **RIESLING 2008**

### THE WINE ADVOCATE

Lisa Perotti-Brown, October 2010

---

The 2008 Riesling reveals pronounced lime juice, yuzu zest, honey drizzled peach and chalk aromas. Dry, light bodied and very crisp with just a touch of sweetness, the finish is long and refreshingly zesty. Drink it now to 2013.

Best Buy.

Seresin Vineyard's second-tier label, MOMO, always provides excellent value for money. A hint of Rose's lime juice is joined by nutty, peppery, toasted characters. An attractive style. Medium-dry.

Joelle Thomson, August 2010

This second tier Riesling from Seresin Estate in Marlborough carries all the hallmarks of lime, fresh apple and lingering taste that its big sibling (Seresin Memento Riesling) does. It is lighter and shorter on the finish, but great value for money.
