

ARIA LATE PICKED RIESLING 2008

WINENZ MAGAZINE

Winter 2011

Recommended

As ever the ARIA is a sure fire winner. Ripe stone fruit characters are very much to the fore allied to honeycomb flavours and a smooth, velvety texture. Complexity is added by notes of lemons and oranges thereby creating an unctuous and beautifully balanced wine.

Peach, honey and mandarins with a mineral delicacy. Lovely freshness on the finish balanced by residual sugar. Delicious.

Just one of the many strings in the bow of top-notch New Zealand producer Pegasus Bay, this is a wonderfully refreshing yet intensely sweet wine... superb balance. It's hard to imagine anyone not loving this wine.

5 Stars & Top Tip

Stunning - THE wine of the tasting and a sure fire GOLD in any tasting it enters. The flavours just go on and on and the mouthfeel is oily and opulent. You MUST try this.

A classy, very elegant Waipara wine, ...fresh, pure, late harvest fruit flavours, showing excellent richness. Finely focused, with a luscious sweetness ...coupled with mouth-watering acidity, it's a beauty.
