ELSTON CHARDONNAY 2010

THE WINE FRONT

Campbell Mattinson, Oct 2011

93 Points

There's something here for all of us. This 2010 release of Elston chardonnay is a real goodun'. Funky but fruity. Textural too. Robust in flavour - pineapple, peach, citrus, cider and sourdough - but all steel and tin through the finish. At the start it feels powerful and dynamic; in the end it feels elegant and restrained.

Intense aromas of pineapple, guava and warm apricot over nuances of cream, nuts, toast and oatmeal.
