## **CABERNET SAUVIGNON 2009**

### **THE WEEKEND AUSTRALIAN**

James Halliday, 30 August 2010

---

94 Points, 5 Stars, Special Value & Top 100

Deep, dark purple-red; the dark, black fruits with nuances of earth and chocolate are no surprise given the lead of the colour; medium- to full-bodied, with cedar and earth nuances to the black fruits and firm but balanced tannins of the palate. Hard to imagine a better cellaring prospect at this price point; exceptional value.
