Clayridge

2007

Pinot Noir

RS 1.0g/L

pH 3.51

TA 6.7g/L

Alc 13.5%

100% Marlborough Pinot Noir

100% Wild Ferment

100% Barrel matured

*“Hand selected from the dry farmed slopes of our Clayridge Home Block, the small concentrated berries for our this premium Pinot Noir were then handled almost entirely by gravity for gentle extraction. After wild fermentation in traditional open top fermenters the wine received maturation in new to four year old French barriques (28% new). Deep ruby in colour this Pinot has rich aromas of wild cherries & exotic spices intermingled with soft smoky oak, impressive texture and soft ripe tannins.*
