pH 3.21

TA 6.7g/L

Alc 13%

100% Marlborough Sauvignon Blanc

7.5% Wild Ferment

7.5% Barrel Fermented & matured

*"Our 2010 Sauvignon Blanc was grown on the clay slopes of the Taylor Pass and in the free draining river beds of the Wairau Valley. The resultant wine has vibrant aromas of passionfruit and ripe melon balanced with a hint of citrus, rich tropical fruit on the palate and a long fresh finish. Subtle use of seasoned French oak casks and wild fermentation adds further weight and complexity. Cheers!"*
