BRIGHTWATER RIESLING 2009

JANCIS ROBINSON MW

October 2010

Very bright indeed! Super racy and only just off dry. Great balance! Very crystalline. Well made.

MICHAEL COOPER'S GUIDE TO NEW ZEALAND WINE 2011

Neudorf Brightwater Riesling is a consistently rewarding wine, intense, and finely poised. Good vigour and varietal character, a tangy, tightly structured wine with citrusy, slightly minerally characters, lots of passionfruit and a fine sugar acid balance.
