HAWKE'S BAY CHARDONNAY 2008

WINE ORBIT

Sam Kim, Nov 2010

86 / 100: 4 stars

This is not too big and not too weak. A lovely fruit-forward and instantly appealing Chardonnay with lifted aromas of peach, pineapple and subtle roasted nuts. The palate is juicy and rounded with smooth texture and a refreshing finish. The wine flows effortlessly through the palate to a pleasant dry finish. At its best: now to 2012. 13.5% Screw cap. "Near perfect Chardonnay"

Chardonnay as it should be, brimming with peach and citrus aromas as well as a nice nutty, toasty character. The fruit stands out on the palate, with ripe grapefruit and nectarine flavours, blended seamlessly with a nutty, almost smokey undertone and balanced by a crisp acidity.
