### PARAMATTA ADVERTISER

Rick Allen, 28th July 2010

A challenging vintage in McLaren Vale with a good season suddenly tossed on its head by a 15-day heatwave. This is a testament to Wirra Wirra's winemaking skills, because it's drinking beautifully. The flavours are dark plum and blackberry, it's silky and smooth, and the viognier has given the fragrance a noticeable lift without challenging the sweet berry flavours.

### ILLAWARRA MERCURY - GRAPE EXPECTATIONS

...this slick blend of McLaren Vale shiraz and viognier with its upfront berry and plum fruit flavours, integrated spice and chocolate characters, lovely oak and supple tannins."

Earthy/chocolaty bouquet. Soft black fruit/licorice palate with lingering flavour length.
