## **NELSON SAUVIGNON BLANC 2010**

### WINE ORBIT

Sam Kim, February 2011

---

91/100

Closer to the Loire Valley than Marlborough/Nelson in style. Nose is delicate and refined showing grapefruit, capsicum and a touch of chalky/mineral characters. Concentrated and finely textured on the palate with a beautifully weighted mid palate and seamless mouth feel leading to a long crisp finish. A superbly harmonized Sauvignon full of character.
