

## Reviews & Accolades

### MT MAUDE VINEYARD DRY RIESLING 2010

#### WINE ORBIT

Sam Kim, Aug 2008

---

4.5 Stars

The nose is supremely delicate, displaying floral, apple, white peach and a touch of flinty notes. It's pure and beautifully detailed on the palate with a juicy mouthfeel and firm, well integrated acidity leading to a lovely linear finish. This is sure to develop gracefully.

4 Stars & 18.0+/20

Brilliant pale straw-yellow with a pale edge, this has a fine, but intense nose of lifted florals and citrus blossoms with minerally notes, balancing delicacy with depth. Dry to taste, this has soft, gentle floral and lime-fruit flavours, the palate possessing very fine textures and restrained acidity, initially, but building to provide sufficient tension and liveliness. The palate has good length and attractive floral nuances. Fruit from the 'Mt Maude' vineyard near Wanaka, cool-fermented to 12.0% alc. and 5 g/L rs. A very fine and gentle textured Riesling with a softness that will make it a good aperitif, or a match with sweet shellfish and subtle Asian cuisine over the next 4-5+ years.
