### CELLAR NOTES

Hand harvested and whole bunch pressed straight to tank, fined for clarity before careful racking. Fermented in stainless steel with various cultured yeasts before assembling the blend.

### TASTING NOTES

With exotic tropical fruit, fresh herbs and citrus notes this vintage of Sauvignon blanc displays characters found right across the ripening spectrum for Sauvignon and is balanced by fresh vibrant acidity and wonderful concentration. This Sauvignon made exclusively from our estate Waiheke vineyards displays both classic notes with the excitement of showcasing regional diversity in New Zealand's best known grape variety.

**RELEASE DATE** - 1st November 2010

This wine is bottled and protected under screw cap as we believe it is the best closure for quality wine.
