LONE TREE SAUVIGNON BLANC 2010

TIZ WINE.COM

Giles Hine, December 2010

Easy drinking sauvignon that displays tropical fruit with hints of capsicum and tomato stalk all wrapped up in soft acidity. Honest, straightforward and decent value.

WINE ORBIT

Sam Kim, February 2011

A softly flavoured Sauvignon showing stonefruit, apple and lime zest characters on the nose. The palate is light and fruity with crisp acidity. At its best: now to 2012.
