## **GIMBLETT ROAD CABERNET MERLOT MALBEC 2008**

### WINE ORBIT

Sam Kim, Issue 17, 2011

4.5 Stars & 91 Points

You would need to pay considerably more for a Bordeaux that will match this wine's quality. The bouquet is classically claret, displaying dark plum, cassis, dried herb and hints of cedar and game. It's ripe and finely textured with excellent focus and a lingering complex finish. A beautifully formed and satisfying red. At its best: now to 2014.
