

# *Chalk Hill Blue*

## **BUBBLES**

### **REGION:**

South Eastern Australia

### **WINEMAKERS' NOTES:**

This wine is a festive sparkling, pale gold with a fine, persistent bead. Yeast and fruity aromas abound in the glass and carry through onto the palate, with a luscious, strawberry fruit sweetness evident. Whilst it is primarily a fruit driven wine, some complex yeast flavours are also evident and the finish is soft and clean. The lasting spritz makes this a great celebratory wine for any occasion.

Savour this wine as an aperitif or partner it with fresh oysters, smoked salmon or egg and caviar paté.
