This is an immediately appealing Chardonnay displaying ripe and lifted aromas of tropical fruit, citrus and buttered popcorn. The palate is succulent, well weighted and smooth with refreshing acidity and a lingering creamy finish. This one is for those who love generously flavoured Chardonnays.

Chardonnay and Something Different Tasting, March 2011

4.5 stars

Another top class chardonnay from Te Kairanga. Golden in colour with tropical aromas and flavour married to elements of coconut, hazelnut and nougat. Silky smooth with integrated oak and a decent finish. Yum!

Bold and lush, with an oxidative, nutty face that provides real interest.
