Chardonnay and Something Different Tasting March 2011

5 stars, Consumers Choice & Top Tip

This is a gutsy Chardonnay- burgundian in style- that is packed with fruit and oak in perfect balance. It has the added bonus that it can be drunk now or cellared for a few years!

18.5/20

An opulent, rich and full-flavoured wine showing ripe stonefruit flavours and an extravagant dose of new oak shine.

4.5 stars

This gorgeous Chardonnay was fermented in French oak barriques (50% new) with lees maturation. The bouquet is impressive and attractive, displaying peach, tropical fruit, vanilla and toasty oak characters. The palate is rich and full showing silky texture, bright acidity and a lengthy finish. A full flavoured and irresistably delicious Chardonnay.

HI SOCIETY MAGAZINE

Phil Parker, February 2011

This Chardonnay is wonderfully integrated with hazelnut, oak, mandarin, honey and peach flavours and a long finish.
