Star Recommendation

Deserved winner of trophies at the Adelaide and New Zealand International Wine Show, this is a truly classic dry white. A 70/30 blend of semillon and sauvignon blanc, it has wonderfully ripe tropical fruit flavours, which abound in a clear and crisp wine of great balance.

PORTER'S LIQUOR

February 2009

Masses of gooseberry and fresh cut grass fruit on the aroma. The palate has pleasant grapefruit with a smooth texture.

James Halliday, December 2008

A well balanced wine with tropical fruit balanced by a slight herbaceous edge; very good texture, and fine and long on the finish.

THE WEST AUSTRALIAN

November 2008

This classic blend of semillon and sauvignon blanc takes the classic dry white to another level. Clean, crisp and vibrant with a delicate sustained palate of terrific intensity. Great mouth feel for current drinking.

Lovely soft, fresh varietal bouquet and lively sauvignon blanc characters of green bean, asparagus and citrus obvious on the palate. Incredibly fresh with lean acid. "Love it!" said one judge.

THE WEST AUSTRALIAN

Ray Jordan, July 2008

This is a lot more than your big standard classic. It's wine of some class. Bursting with bright lively fresh tropical fruits and a touch of subtle herbaceousness. Lively zippy palate with a fine lingering acidity.
